Web Presentation

1. Saving income

NexMoney

Regular Discount on purchase of products:-

As a distributor, you save this amount as the difference between MRP and Distributor Price.

NexMoney offers a saving of 10% (Use 10% Discount/Reward Point) on all of the products.

The following example helps explain the saving.

Distributor price + Saving (10% Reward/Discount Point) = MRP

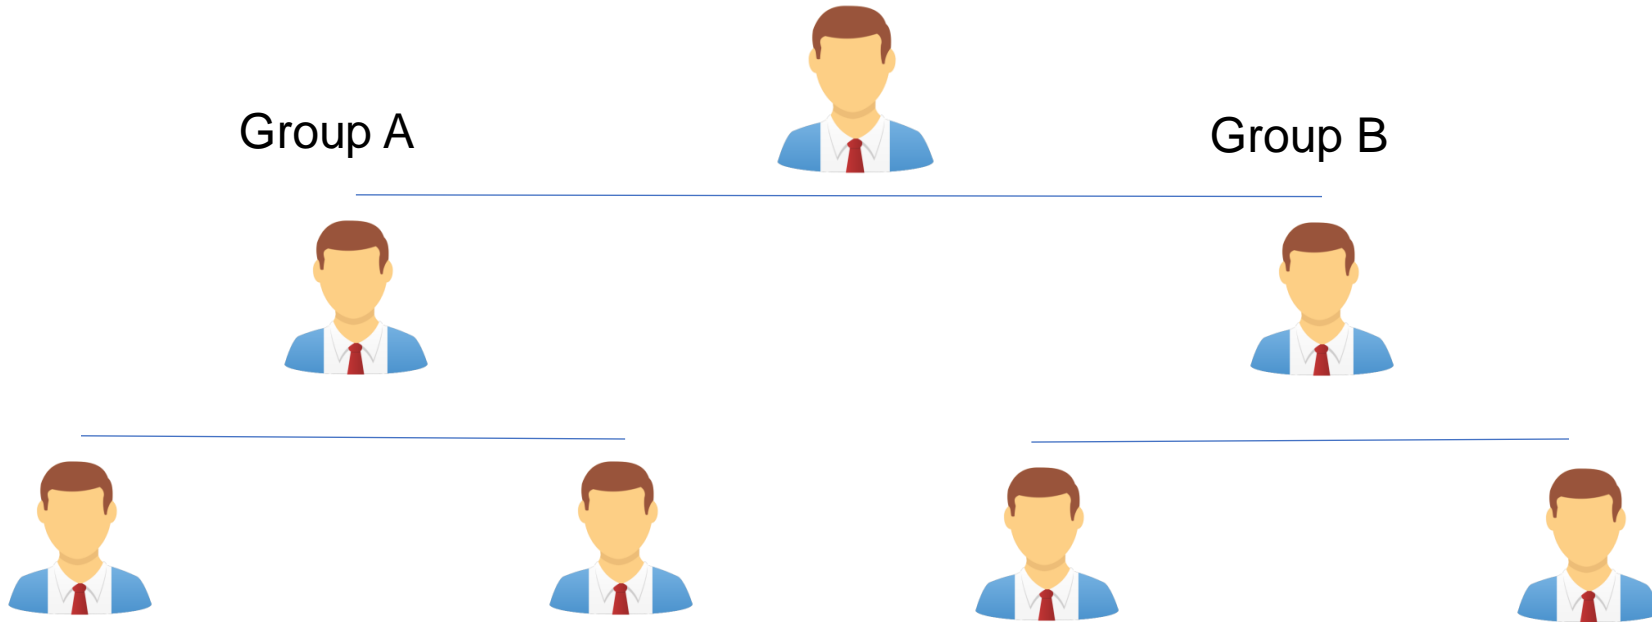

Buy any product through NexShoppee for activation of your

NexMoney®
